Guests?

Do we have any first time visitors,
guests, people who just want to
stand up and be recognized?

LARC Spring Picnic

The LARC Spring picnic happened **28 March 2015** at the **Lake Parker Park**. Same pavilion as usual and we had it set up at dawn. The FOX was beaconing when everyone arrived. Fred, K1DU, brought a station with an excellent antenna. CQ WPX SSB was that weekend so DX QSOs were everywhere. Children and grand children were in attendance and had a great time. There was lots of food and good conversation. A great time was had by all. Look at the LARC Blog for the online pictures from the event.

We are deeply saddened to learn of our loss of Warren. He was a highly respected TV journalist. He was a long-time leader in the Tampa Amateur Radio club and a founder of the Radio Association of North Tampa (RANT) which operates multiple VHF repeaters with EchoLink capability and a D-Star repeater with Gateway capability. Warren was a highly dedicated ham operator and led in work to assist other hams in developing and improving their personal ham stations. His leadership will be sorely missed.

TARC FEST

The Tampa Amateur Radio Club will have its TARC FEST on Saturday, April 18, 2015 from 8:00 AM to 1:00 PM! Admission is only \$4.00.

Location is the TARC Club House located at 7801 N. 22nd St.,
