LARC moving toward a new home

The Community Southern Bank we are sitting in tonight is not our new home. We are here tonight as a temporary meeting site as we prepare to go to a new building. The meeting, next month, will **hopefully** take place at 2825 Winter Lake Rd, Lakeland. The location is 1 block West of US98 (Bartow Road). The intersection has CR540 going East and Winter Lake Rd going West. That is 1/3 of a mile South of the Polk Parkway. This is a church that now houses the congregation that left our previous home after it sold.

We had 1 person pass his license tonight.

David McQueary – Technician

Turn left onto Winter Lake Rd

The Yellow House will be on the left

LARC Name Tag

If you are owed a LARC name tag but have not received it please contact:

Bill Johnson, KI4ZMV
LARC Secretary

Guests?

Do we have any first time visitors, guests, or people who just want to stand up and be recognized?

Traveling Members

Each year we have LARC members that travel back to their homes up North. Keep in touch with our traveling members and bring us up to date on their radio status. Let Bill Johnson know if we have a member that is ill or having trouble making the trip back so that we can keep in touch with these wandering folks. If you are one of these people then send an email or give a call and let us know what is going on in Ham Radio elsewhere.

Only **355** Days until

Field Day !!!

To be an operator get with Fred, K1DU,
Do it now before it is too late!

Ham Radio leads us all in different directions. Our careers have sometimes led us into Ham Radio and in other cases Ham Radio has led to a new career. Each person has a different tale to tell of how Ham Radio has touched their lives. Tonight we have a guest speaker that learned Morse code to support our government's war effort. Met a young man who was in the military. Married that young man and ended up a ham radio operator, engineer, ARRL employee, and great CW contester. Ellen White, W1YL, will be our guest speaker this evening. She has a life time of ham radio to share with us.

THE WINNER

Chet Carruth – AB4XK

The drawing for the radio was made at the July 2015 meeting. Ellen White, W1YL, our guest speaker was the person who drew the winning ticket. The drawing took place at the end of the meeting. The lucky ticket was verified by our Vice President, Mathew Stevens, KK4FEM, and the club Secretary, Bill Johnson, KI4ZMV.
