

Lakeland Amateur Radio Club
Board meeting January 30, 2017

Members Present:

Officers: Matthew Stevens, Bob Doherty, Bill Johnson, Patrick O'Neal

Board members: Jim Stewart, Rich Kennedy, David Zdanowicz, and Stephanie Hildreth

Members Absent:

Kevin Rought, Jeff Schuck, Al Sheppard

- The primary purpose for this meeting was to discuss alternatives to our current location. The two major concerns with the present facility are size and lack of a kitchen. Sam Shaver suggested an alternate location, and he and several members of the board visited it. Board members present were Bill, Rich, Al, and Bob. All agreed that this site was ideal. It is centrally located, had more than enough space, and excellent kitchen facilities. Bob took several pictures on the visit and shared them with all the board members present at the meeting. The church board is aware of our interest and has allowed a representative from the club to speak at their board meeting February 13. It was unanimous that Bob represent the club at this meeting. Patrick pointed out that our club spends nearly all funds received by way of dues for various activities throughout the year, and that we are limited in what we can spend for the use of a meeting location. Bob will share this information with the church board, and emphasize the advantage our club might have for the church. They have a scouting program which has an electronics merit badge we might help with, we can help church members get their license, and we can help the church establish a radio room to facilitate communication with their missionaries abroad.
- Rich mentioned several upcoming community service events involving the club:
 - Warrior Walk Saturday July 29th
 - March for Babies April 29th
 - Heritage Day March 18th
 - Winston Academy of Engineering March 18th
- The March club meeting will be held at the EOC on the sixth, where Skywarn training for LARC and several other area clubs will take place. Start time will be 6:30 PM. Testing will begin at 5:30.
- Daryl Davis is tentatively scheduled for the April club meeting
- Patrick presented the treasurer's report, and it was approved as read.
- Rich noted that the West Central Techcon will be held February 24th and 25th For more information go to <http://arrlwcf.org/wcf-special-events/wcftechconference/>

Respectfully submitted,

Bill Johnson KI4ZMV Secretary

Lakeland Amateur Radio Club Membership 2017

(Memberships Paid as of February 6th, 2017)
