Our 3rd meeting in our new location

Here we are at 2825 Winter Lake Rd, Lakeland, FL. Our new location that is 1 block West of US98 (Bartow Road). The intersection has CR540 going East and Winter Lake Rd going West. That is 1/3 of a mile South of the Polk Parkway. This is a church that now houses the congregation that left our previous home after it sold. We need to be conscious that we are meeting here once a month and the congregations that use this facility are here in some form almost every day. We have to leave it like we found it to include the chair setup, the kitchen area, and the floor. That is the reason we are limiting the refreshments to the other room.

We had 3 persons pass their license exams tonight.

Roger Meadows - Extra

Austin Kline - General

Randy Penn - Technician
