# K4LKL On The Air

Would you like to be K4LKL on the air as part of our 40th anniversary this year? You can be! As this is our 40th anniversary this year we will be promoting the club by allowing club members to put us on the air. We will be QSLing with a QSL that reflects our club information and anniversary. **Rules:** You **must** sign up to use the call. You **must** use the call within the bounds of your license restrictions. Techs in the Tech band, Generals in general band and so on. You **must** keep an accurate log and submit it to Matthew KK4FEM, our vice president. It will end up on

SUBJECT: Frequency Allocation for the Lakeland Repeater Association

Dear Mr. Kelley;

Reference is made to your phone conversation with our L.R.A. frequency coordinator, Dick Fenton, WA4CGH, earlier today.

We respectfully request you assign 146.085 - 146.685 megahertz to the Lakeland repeater.

The Lakeland group has unanimously agreed that 146.085 - 146.685 would meet our repeater needs very nicely.

We will be grateful for your prompt attention and reply to this request.

Yours truly,

Lakeland Repeater Association

M. L. (Matt) Scarff W4FAH

President
